Mr. Ishida

Managing Director

A significant number of qualified candidates, including a high percentage of female candidates, have submitted their applications, indicating strong interest in the position of Managing Director. The selection process will be conducted in two stages: initial screening and in-depth interviews.

As the final stage of the selection process, candidates will be invited to a two-day seminar on strategic management and leadership development. The seminar will be held at our corporate headquarters in Tokyo, and will conclude with a group discussion and presentation.

Please find attached the schedule and itinerary for the seminar. Should you have any further questions or concerns, please do not hesitate to contact me.

Thank you for your interest in our organization.

Yours sincerely,
